Both Parties will share academic and operational data on a regular basis and work collaboratively in a spirit of continuous improvement.

12. **Representations; Warranties and Covenants.**

    Each of the Parties represents, warrants and covenants to the other Party that:

    i. it has all the requisite power and authority necessary to execute and deliver this Agreement and to perform its respective obligations hereunder (subject to TEA approval);

    ii. it agrees to conduct its business in compliance with all applicable local, state, federal laws and regulations, and this Agreement.

13. **Trademarks; School Materials; Ownership and Use; New Intellectual Property.**

    a) **Trademarks.** During the term of this Agreement, Relay Lab Schools retains all rights to its trademarks, service marks, proprietary slogans and logos (such trademarks, service marks, slogans and logos, collectively, the “Licensed Trademarks”), but will grant to the Schools a non-exclusive license to use the Licensed Trademarks, including use on school-related clothing and materials, in connection with School Services. As used herein, “School Services” means the furnishing of educational and related services to students and operating the Schools.

    b) **School Materials.** During the term of this Agreement, Relay Lab Schools grants to the Schools a non-exclusive license to use Relay Labs Schools’ proprietary curriculum materials, including scope, sequence, standards, do-nows, worksheets, exit tickets, exams, assessments, progress reports and other materials (“Licensed
Curriculum Materials”). For the avoidance of doubt, the Parties acknowledge and agree that all instructional materials purchased or developed by the District for use by the Schools (“Instructional Materials”), and all furnishings and equipment of the Schools, other than those provided by Relay Lab Schools, are the sole property of the District and that such Instructional Materials shall not constitute Licensed Curriculum Materials.

c) Quality Control.

i. To protect and preserve the strength of the Licensed Trademarks and the associated goodwill, the nature and the quality of the services provided by the Schools under the Licensed Trademarks and the Schools’ use of the Licensed Trademarks shall conform to the standards of quality maintained by other Schools operating under the “Relay Lab Schools Texas” name and utilizing the Licensed Trademarks. Without limiting the foregoing, the Schools shall use the Licensed Trademarks only in the form and manner and with appropriate legends as prescribed from time to time by Relay Lab Schools and will not use any other trademark or service mark in combination with the Licensed Trademarks without prior written approval of Relay Lab Schools.

ii. The Schools shall use the Licensed Curriculum Materials in connection with curricular systems and educational programs provided and supported by Relay Lab Schools that shall equal or exceed the standard of quality of those utilized by other Schools operating under the “Relay Lab Schools Texas” name and utilizing the Licensed Trademarks.

iii. Relay Lab Schools shall assist the Schools, if necessary and as reasonably requested, in maintaining the quality standards set out in clauses i and ii above.

d) Intellectual Property Ownership. The District acknowledges that it will not obtain any ownership interest in the Licensed Trademarks or Licensed Curriculum Materials, regardless of how long this Agreement remains in effect and regardless of any reason or lack of reason for the termination thereof. The District shall not knowingly dilute or disparage the Licensed Trademarks. The District agrees that any and all goodwill associated with the use by the Schools of the Licensed Trademarks shall inure to the sole benefit of Relay Lab Schools. The District further agrees that any and all intellectual property rights in any improvements or modifications to the curriculum materials or in any new curriculum materials and related materials or content which are created, or provided to the Schools, by or on behalf of Relay Lab Schools during the term of this Agreement (collectively, “New Curriculum Materials”) will also be owned by Relay Lab Schools, but Relay Lab Schools hereby grants to the Schools a non-exclusive license to use the New Curriculum Materials in connection with the School Services during the term of this Agreement. Any New Curriculum Materials created by Relay Lab Schools or Relay Lab Schools’ employees are not works for hire and the District
shall have no property rights to any such work created or derivative work. Any and all intellectual property rights in (i) any improvements or modifications to the Licensed Curriculum Materials or New Curriculum Materials, (ii) any new curriculum materials and related materials or content, in the case of (i) or (ii) created by the Schools (including, as between Relay Lab Schools and the Schools, the teaching staff, supervisory and other personnel employed by the Schools) during the term of this Agreement; (iii) any Instructional Materials (collectively, “Schools’ Intellectual Property”) will be owned by the Schools, but the District hereby grants to Relay Lab Schools, subject to any limitations on its ownership rights in Instructional Materials, a non-exclusive, perpetual royalty-free license to use the Schools’ Intellectual Property in connection with School Services provided by Relay Lab Schools to Schools under its management whether during or after the term of this Agreement; provided however, that nothing shall obligate the Schools to update or support the Schools Intellectual Property following the termination of this Agreement. Relay Lab Schools shall only use the Schools’ Intellectual Property in connection with School Services provided by Relay Lab Schools to Schools under its management in a manner that is consistent with applicable laws, including data privacy laws.

c) Use of Intellectual Property Following Termination. Upon the end of this Agreement, the Schools and the District shall cease any further use of the Licensed Trademarks, Licensed Curriculum Materials, and New Curriculum Materials including any improvements or modifications to the Licensed Curriculum Materials or New Curriculum Materials. Notwithstanding the foregoing, should the Schools be unable, despite diligent efforts on its part, to obtain and substitute other curriculum materials to replace some or all of the Licensed Curriculum Materials or New Curriculum Materials in sufficient time for the next school term commencing after the end of the Agreement, then the Schools may continue to use those portions of the curriculum materials and New Curriculum Materials which it was unable to replace for a maximum of one school year following expiration or termination of this Agreement, it being understood that (i) Relay Lab Schools shall provide no updates or other support for such materials, (ii) the Schools shall, to the extent practical, remove any Licensed Trademarks or other marks identifying such materials as part of the Relay Lab Schools curricular program, and (iii) the Schools shall cease use of such materials as soon as practical but in no event later than the end of the school year immediately following the end of this Agreement.

14. Management Fee.

a) The Management Fee shall be contingent upon the District’s receipt of SB 1882 funding.

b) As compensation for its services hereunder, Relay Lab Schools shall receive a management fee (the “Management Fee”) from the Schools in an amount of 15% of the Non-Competitive Public Revenue of the Schools attributable to the students at the Schools. The Management Fee shall be used exclusively for the operation
of the schools and the cost of the Teacher Residency program (including salaries and benefits of Resident teachers).

c) The Management Fee shall be paid to Relay Lab Schools as and when the corresponding funds are actually received by the District and in accordance to the mutually agreed upon payment schedule for all funds. For the purposes of this Agreement, “Non-Competitive Public Revenue” means revenue derived from federal, state and local funds specifically provided for the Schools, on a per pupil, titled funding, and special education funding basis. Non-Competitive Public Revenue shall also include the SB 1882 funds attributable to each School.

d) If by the 60th day after such payment is due a material portion thereof remains unpaid and no such payment arrangement has been made, Relay Lab Schools will have the right to terminate this Agreement.

e) If the Texas Legislature repeals or otherwise defunds SB 1882, both Parties shall negotiate in good faith the terms of the Management Fee. If the Parties cannot agree on a Management Fee amount within sixty days after notice that the SB 1882 funds will no longer be available, Relay Lab Schools shall have the right to terminate this contract.

15. **Term & Termination.**

   a) This Agreement shall be effective for ten years, beginning July 1, 2018 and ending June 30, 2028 (the “Initial Term”), unless terminated pursuant to its terms.

   b) The Agreement may be terminated when permitted by statute (i.e., for the Schools not meeting certain academic performance requirements). The District may only terminate this Agreement, as described below, after a vote of the full board with an opportunity for notice and comment and appropriate due process described below.

   c) In accordance with 19 Texas Administrative Code section 97.1075(d)(5) due process will be afforded Relay Lab Schools as follows:

      i. A requirement of a public hearing at least 30 days prior to any action to terminate this management agreement when Relay Lab Schools has successfully met the performance expectations and goals described in this agreement; and

      ii. A requirement of a public hearing at least 30 days prior to any action to extend this management agreement when Relay Lab Schools has failed to successfully meet the performance expectations and goals described in this agreement.

      iii. Any termination by the District may only be approved by a 70% vote of the full Board.
d) Following the Initial Term, the term of this Agreement may be extended by agreement of the Parties (as reflected in each case in a written renewal agreement) for successive ten-year periods (each a “Renewal Term”).

e) This Agreement may be terminated at any time prior to its expiration date by the Parties, with or without cause, upon mutual written consent.

f) This Agreement may be terminated prior to its expiration date by the District if the District delivers a written notice of termination (including the reasons therefor) to Relay Lab Schools, in the event that (i) Relay Lab Schools commences any case or proceeding, or files any petition in bankruptcy, or for reorganization, liquidation or dissolution, or has been adjudicated insolvent or bankrupt, or applies to any tribunal for a receiver, intervener, conservator or trustee for itself or for any substantial part of its property, (ii) an administrative or judicial body has suspended or revoked any license which may be required for Relay Lab Schools to carry on its business and perform its obligations under this Agreement other than for technical paperwork violations, (iii) Relay Lab Schools violates any material provision of law with respect to the Schools from which the Schools was not specifically exempted, (iv) Relay Lab Schools is found by a court of competent jurisdiction, or other lawful authority to have made fraudulent use of Schools funds, (v) Relay Lab Schools breaches any of the material terms and conditions of this Agreement, provided Relay Lab Schools has not cured the breach within sixty (60) District work days from receipt of a notice of breach from the District. The notice of termination shall be delivered at least one hundred twenty (120) days prior to the date of termination and shall be effective at the close of the school year in which such notice is issued.

g) In the event the District terminates the Agreement for a reason outside of the defined material terms and conditions of this Agreement, not including section 19.o., and if Relay Lab Schools has met its performance contract objectives, then the District’s termination under this paragraph can only take effect at the end of the school year following the District’s Board of Trustees providing 180 days prior written notice. By way of example, if there are 179 days left in the current school year when written notice is given, the termination would not be effective until the end of the next school year. The District will compensate Relay Lab Schools for all actual costs incurred by Relay Lab Schools related to the District’s exiting the Agreement, including, but not limited to, the loss of the Management Fee for the Schools for a period of two years, the cost of leasing of a separate facility in Bexar County (if any), limited to the market value of the current leased or District provided premises, incurred by Relay Lab Schools for a period of two years, and any other personnel or operational costs incurred by Relay Lab Schools as a result of the termination. The District agrees that such compensation is not a penalty or meant to be punitive and hereby waives and agrees it will not assert any defense that this compensation is a penalty or meant to be punitive to invalidate this compensation.
h) This Agreement may be terminated prior to its expiration date by Relay Lab Schools if Relay Lab Schools delivers a written notice of termination (including the reasons therefor) to the District, at least ninety (90) days prior to the intended Termination Date, in the event that (i) the District materially breaches any of the material terms and conditions of this Agreement, provided the District has not cured the breach within thirty (30) District working days from receipt of a notice of breach from “Relay Lab Schools, (ii) the District takes any action which materially interferes with the ability of Relay Lab Schools to provide services under this Agreement, (iii) the District’s leadership, the Superintendent and a majority of the School Board, oppose the continuation of this Agreement or oppose the idea of a cooperative working relationship between the District and charters as provided for in this Agreement, or (iv) the District, unreasonably and without proper cause, revokes any of the Schools’ charters. Any termination by Relay Lab Schools pursuant to this Section shall be effective as of the end of the then-current school year, provided that Relay Lab Schools and the District shall endeavor to establish a transition plan for withdrawal of Relay Lab Schools and its replacement by another management company or internal District personnel, as determined by the Schools, within a shorter period of time to the extent practicable and in the best interests of the Schools’ students.

i) Upon termination of this Agreement, whether with or without cause (other than pursuant to clauses 15(f) and (h) above, Relay Lab Schools shall be entitled to a prorated Management Fee for the portion of the fiscal year up to the Termination Date, computed based upon the number of days in the fiscal year up to the date of termination divided by the total number of days in the fiscal year. To the extent this Agreement is terminated as permitted, then such termination shall be without liability to any Party or to any affiliate, shareholder, trustee, director, officer or representative of such Party, and following such termination no Party shall have any liability under this Agreement or relating to the transactions contemplated by this Agreement other than in this Section; provided that no such termination shall relieve any Party from liability in respect of breaches by such Party prior to such termination.

16. Indemnification; Insurance.

a) To the greatest extent allowed by Texas Law, the District shall indemnify and hold harmless Relay Lab Schools, its affiliates, subsidiaries, trustees, directors, officers, agents, servants, and employees (each, an “Indemnitee”), from and against any and all damages, claims, liability, losses and expenses incurred by any Indemnitee in respect of, arising out of, or involving, a claim made by any third-party against any Indemnitee resulting from or arising in connection with any advice, guidance, act or omission on the part of the District, its trustees, directors, officers, directors, agents, servants or employees, whether in connection with the services or support functions to be provided under this Agreement or activities undertaken by the District on behalf of other schools, excluding, however, any liability resulting from or arising in connection with (i) actions taken by the District at the express request or direction of Relay Lab Schools, (ii) any advice,
guidance, acts or omissions by the District premised on a misrepresentation or failure to disclose information when under an obligation to do so by the person or entity seeking indemnification, or (iii) any liability to the extent arising as a result of negligence, intentional tort, fraud or criminal conduct on the part of Relay Lab Schools or any of its trustees, officers, agents, or employees.

b) If a third party claim is made against an Indemnitee, that does not include a claim for liability resulting from or arising in connection with (i) actions taken by the District at the express request or direction of Relay Lab Schools, (ii) any advice, guidance, acts or omissions by the District premised on a misrepresentation or failure to disclose information when under an obligation to do so by the person or entity seeking indemnification, or (iii) any liability to the extent arising as a result of negligence, intentional tort, fraud or criminal conduct on the part of Relay Lab Schools or any of its trustees, officers, agents, or employees, then such Indemnitee shall give written notice to the District of such claim as soon as reasonably practicable after such Indemnitee has received notice thereof (provided that failure to give timely notice shall not limit the indemnification obligations of the District hereunder except to the extent that the delay in giving, or failure to give, such notice has materially prejudiced the ability of the District to defend the claim). The District shall defend such claim, at the District’s own expense or through its insurance as applicable and with counsel selected by the District and reasonably satisfactory to such Indemnitee, provided that an Indemnitee shall at all times also have the right to fully participate in the defense at its own expense unless the Indemnitee and the District reasonably determine that representation of Indemnitee and the District by the same counsel would materially prejudice the interest of District or the Indemnitee; provided that the District will only be responsible under such circumstances for the expenses of a single additional counsel for all Indemnitees). If the District shall fail to commence a defense against such claim within thirty (30) days after notice thereof shall have been given by an Indemnitee to the District or if the District shall not diligently pursue such defense, such Indemnitee shall have the right, but not the obligation, to undertake the defense of, and to compromise or settle (exercising reasonable business judgment), the claim on behalf, for the account, and at the risk and expense (including the payment of reasonable attorneys’ fees of such Indemnitee regardless of whether the Indemnitee prevails against the third party claim) of the District. If the District assumes the defense of such claim, the obligation of the District hereunder as to such claim shall include taking all reasonably necessary steps in the defense of such claim.

c) The District shall not consent to the entry of any judgment or settle or compromise any third party demands, claims, actions, suits or proceedings for which an Indemnitee has sought indemnification from the District and for which Indemnitee has not been fully released unless it shall have given such Indemnitee not less than fifteen (15) days’ prior written notice of the proposed consent, settlement or compromise, and afforded such Indemnitee an opportunity to consult with the District regarding the proposed consent, settlement or compromise, and shall not consent to the entry of any judgment or enter into any
settlement or compromise without the approval of such Indemnitee. An Indemnitee shall not unreasonably withhold or delay its approval of a proposed consent, settlement or compromise. In determining whether to give its approval, an Indemnitee may consider whether the proposed consent, settlement or compromise includes as an unconditional term thereof the giving by the claimant to such Indemnitee of a release from all liabilities and obligations of whatever kind or nature in respect of such claim except the liabilities and obligations satisfied by the District. If the Indemnitee unreasonably withholds its approval of a proposed consent settlement or compromise, and shall not consent to the entry of any judgment or enter into any settlement or compromise that provides the Indemnitee with a release from all liabilities and obligations of whatever kind or nature in respect of such claim except the liabilities and obligations satisfied by the District, Indemnitee shall continue its defense at its own cost and the District is not required to provide any additional amounts above the proposed consent settlement or compromise in any subsequent consent, settlement, judgment or compromise negotiated by Indemnitee.

d) The rights to indemnification and reimbursement provided by, or granted pursuant to, this Section shall continue as to an Indemnitee who has ceased to be a trustee, director, officer, agent, servant or employee of Relay Lab Schools (or any other person indemnified hereunder) but only for claims based upon events that occurred while the Indemnitee was a trustee, director, officer, agent, servant or employee of Relay Lab Schools. The provisions of this Section shall be a contract between the District, on the one hand, and each Indemnitee who served at any time while this Section is in effect in any capacity entitled such Indemnitee to indemnification hereunder, on the other hand, pursuant to which the District and each such Indemnitee intend to be legally bound. No repeal or modification of this Section shall affect any rights or obligations with respect to any state of facts then or theretofore existing or thereafter arising or any action, suit or proceeding theretofore or thereafter brought or threatened based in whole or in part upon such state of facts.

e) Accidents. The District agrees to request from its insurance carriers that Relay Lab Schools be added as an additional named insured on any District held policies of insurance related to transportation or general liability. The District will provide Relay Lab Schools with a copy of each insurance policy, indicating Relay Lab Schools as an additional insured, within 10 business days of receipt of documentation from the District’s insurance carriers. The District will also notify Relay Lab Schools of any policy change and provide Relay Lab Schools with updated records upon any changes in coverage.

17. Non-Solicitation.

a) To the extent permitted by law, the District agrees that from and after the date hereof until twelve (12) months after the end of the fiscal year in which this Agreement is validly terminated or expires at the end of the then-current term, in each case, pursuant to this Section (the “Restricted Period”), it shall not solicit to
hire, or re-hire, or cause or permit any of its, agents, or independent contractors to employ, directly or indirectly, in any capacity, any director, officer or employee of Relay Lab Schools who is, or has been during the term of this Agreement, engaged by Relay Lab Schools or any Affiliate of Relay Lab Schools to render services as an employee or independent contractor to the Schools, except (i) for up to four (4) individuals in aggregate during the Restricted Period; provided, that the District gives Relay Lab Schools prompt written notice of the name of each such individual and Relay Lab Schools’ reliance on this exception or (ii) for general solicitations of employment, but not hiring or employing (other than expressly permitted herein); provided, that such solicitations are not specifically directed to any such officer, director or employee.

b) For the purposes of this Agreement, “Affiliate” of any Person means any other Person which, directly or indirectly, controls or is controlled by that Person, or is under common control with that Person. For the purposes of this definition, (a) “control” (including, with correlative meaning, the terms “controlled by” and “under common control with”), as used with respect to any Person, shall mean the possession, directly or indirectly, of the power to direct or cause the direction of the operations, activities, management or policies of such Person, whether through the ownership of voting securities, by agreement or otherwise and (b) “Person” means any individual, partnership, corporation, limited liability company, trust, estate, association, unincorporated organization or other entity or association.

18. No Waiver of Immunity.

a) Except as expressly provided herein, nothing in this Agreement or any addendum or exhibit shall be construed to waive any immunity to which either the District or Relay Lab Schools or any employee or member of the governing board of each Party is entitled under Applicable Law with respect to any non-Parties. Notwithstanding the above, the Parties acknowledge, stipulate and agree that this Agreement is a contract for goods and services subject to Chapter 271, Subchapter I of the Texas Local Government Code in that Relay Lab Schools is providing goods and services to the District and that the District is also providing goods and services to “Relay Lab Schools,” that this Agreement is duly authorized and properly executed by both the District and “Relay Lab Schools,” and that immunity is waived, to the extent set forth in Chapter 271, Subchapter I of the Texas Local Government Code, as between Relay Lab Schools and the District for purposes of adjudicating any future claim for breach of this contract.

b) Severability. In the event that any provision of this Agreement or the application hereof to either Party or in any circumstances shall be determined to be invalid, unlawful, or unenforceable to any extent, the remainder of this Agreement and the application of such provisions to either Party or circumstances other than those as to which it is determined to be invalid, unlawful, or unenforceable, shall not be affected thereby, and each remaining provision of this Agreement shall continue to be valid and may be enforced to the fullest extent permitted by law.
c) The failure by either Party hereto to insist upon or to enforce any of its rights shall not constitute a waiver thereof, and nothing shall constitute a waiver of such Party’s right to insist upon strict compliance with the provisions hereof. No delay in exercising any right, power or remedy created hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or remedy by any such Party preclude any other or further exercise thereof or the exercise of any other right, power or remedy. No waiver by any Party hereto to any breach of or default in any term or condition of this Agreement shall constitute a waiver of or assent to any succeeding breach of or default in the same or any other term or condition hereof.

d) This Agreement shall not be changed, modified or amended nor shall a waiver of its terms or conditions be deemed effective except by a writing signed by the Parties hereto.

e) The Parties hereto acknowledge that the management of the Schools by third parties is an area presenting numerous legal uncertainties and ambiguities, and that the arrangements contemplated by this Agreement are new and unique and in light of these factors agree to work together in good faith to resolve in manner consistent with the spirit and intent of the relationship created hereby, any new or unforeseen issues which arise in carrying out the terms of this Agreement.

f) This Agreement may not be assigned (whether by operation of law, merger, or otherwise) by either Party without the prior written consent of the other Party except that the District agrees that Relay Lab Schools may assign its interest in the Agreement to a Texas subsidiary. The covenants and agreements contained herein shall be binding upon, and inure to the benefit of, the heirs, legal representatives, successors and permitted assigns of the respective Parties hereto.

g) This Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of Texas, without regard to the conflicts of law rules thereof.

h) This Agreement may be executed in one or more counterparts, each of which will be deemed to be an original copy of this Agreement and all of which, when taken together, will be deemed to constitute one and the same agreement. Electronic copies shall be treated as originals.

i) Except as expressly provided in this Agreement, each of the Parties hereto shall bear its own costs and expenses incurred in connection with the negotiation, execution and delivery of this Agreement.

j) This Agreement does not confer any rights or remedies upon any person or entity, other than the Parties hereto and their respective successors and permitted assigns.

k) Whenever the context requires, the gender of all words used in this Agreement includes the masculine, feminine, and neuter. The words “hereof”, “herein” and “hereunder” and words of similar import when used in this Agreement will refer
to this Agreement as a whole and not to any particular provision of this Agreement, and all references to Articles and Sections refer to articles and sections of this Agreement, all references to “including” or any variation thereof will be construed as meaning “including without limitation” and all references to Exhibits, Schedules or Appendices are to Exhibits, Schedules or Appendices attached to this Agreement, as amended pursuant to this Agreement from time to time, each of which is made a part of this Agreement for all purposes. All headings and captions contained in this Agreement are inserted for convenience only and shall not be deemed a part of this Agreement. The Annexes are considered a part of this Agreement. The word “extent” in the phrase “to the extent” means the degree to which a subject or other thing extends, and such phrase does not mean simply “if”. The sign “$” when used in this Agreement means the lawful money of the United States of America.

l) Where any provision in this Agreement refers to action to be taken by any person or entity, or which such person or entity is prohibited from taking, such provision will be applicable whether such action is taken directly or indirectly by such person or entity.

m) This Agreement constitutes the entire agreement and understanding between the Parties with respect to the subject matter hereof and supersedes all prior agreements, understandings, negotiations, representations and statements, whether oral, written, implied or expressed, relating to such subject matter.

n) This Agreement is hereby deemed performable entirely in Bexar County, Texas. Mandatory and exclusive venue for any lawsuit or adjudicatory proceeding brought by either party to the contract shall be in Bexar County, Texas.

o) Relay Lab Schools is solely responsible for compliance with the obligations assumed by or assigned to Relay Lab Schools. District shall not be responsible for any penalties levied for Relay Lab Schools’ failure to comply with the obligations assumed by or assigned to Relay Lab Schools. Subject to the policy limits of Relay Lab Schools’ insurance coverage and to the extent Relay Lab Schools and the District are not otherwise entitled to claim immunity under Texas law, Relay Lab Schools shall indemnify and/or defend the District if there is any challenge or attempt to involve the District in any complaint, litigation or penalty solely arising out of Relay Lab Schools’ obligations under this Agreement. The District may terminate the Agreement should there be a challenge or attempt to involve the District.
